LETTER FROM THE ASSOCIATION PRESIDENT - Ron Kulie, President

Our election to fill vacancies on the Board of Directors will be held during the Annual Meeting on January 28, 2013. The terms of Nancy Buchhop, Marge Bewley, and Bill Savage are expiring. If any homeowner wishes to be a candidate for the Board, please get a form from the office that notifies us to place your name on the ballot. The return deadline for this official notice of intent to run is January 2nd at 5:00 P.M. . No applications will be accepted after that time. They can be left in the drop box or with any current BOD member.

If you wish to join the committee being formed to review and possibly change our rules, you may still contact Board Secretary Nancy Buchhop. Their first meeting will be held in early December. Your input in this effort is appreciated.

In the coming days, you will see a company re-sealing the streets in the community. The boulevard will be re-sealed from the gatehouse east to circle 6A, and also from the gatehouse to the Corkscrew Woodlands . Also, circles one through five will be re-sealed. Please drive slowly and respect the cones and traffic controls while this project is being completed. We are also going to repair part of the clubhouse roof in the near future.

We are still struggling with the proposed drainage project. Original estimates for just the first phase were too high, so we will re-examine things at our next BOD meeting in December. Our hope is to get something done within our budget amount available.

The next Resident's meeting is on Monday, December 10th, at 7:00 P.M., and the next Board Meeting will be held on Friday, December 14th, at 1:00 P.M. .

On behalf of the Board of Directors, I extend Happy Holiday wishes to all of our residents.

FROM THE DESK OF THE TREASURER – Marge Bewley

Happy Holidays! Thanksgiving has passed, and that puts all in a holiday mood. Santa's elves are now busy at work. Soon our entrance and clubhouse will sparkle and twinkle with decorations and bright lights. Many of us will head for the cold weather and possibly snow, while the rest will be here basking in the sunshine and enjoying our family of Island Club residents and all the festivities that are planned.

As we end our calendar year, we are probably one of the most financially secure communities in the area. How many Homeowner Associations can boast of \$550 quarterly dues? How many have secure reserves to cover required maintenance and repairs? How many are \$49,000 under budget in spending? We don't have the fancy entrance that some have, and elegant clubhouse to relax in, but we have what many others don't. We have fantastic residents, and I'm always thrilled when newcomers come into the office and tell me how much they love the Island Club.

Don't forget to come in to the office to pick up your form if you wish to run for the Board of Directors. There will be three vacancies this year. The deadline for submitting your application is January 2, 2013 by 5 P.M. None will be accepted after that time.

**WISHING ALL OF YOU A WONDERFUL HOLIDAY SEASON
WITH A JOYOUS CHRISTMAS AND A WONDERFUL NEW YEAR!**

THANK YOU for filling out and returning your Emergency forms. Some of you have given them to your circle rep, and some have dropped them off in the office. We will continue to hope you all fill out these forms, even our renters. An emergency can occur at any time, and we want to take care of everyone who lives here. Many of you have filled out new phone consent forms as well. I only need your consent one time; however, if your phone number changes, please let us know. Maybe you could highlight the change so we don't overlook it.

Again, thank you for your response. And, I think I need to recognize Maui Circle for being the 'first responders'. It can't be because two board members live in Maui – Bahia Terrado also has two board members. Hmmmm. I think I'll give Ann Boss the credit, but probably, the credit goes to the entire circle. **Thanks!**

Reminder - RETURNING YOUR FORMS – Please do not return completed forms to the form holder outside the office door. If I didn't feel the need to rearrange the forms occasionally, your forms might never be found. (Well, it would be a while.) There is a notice below the forms holder telling you to drop all paperwork in the white dropbox, or bring into the office. Sometimes when you complain about a committee taking forever to address your concern or request, it might be because you didn't take the time to do things properly. If you can think of a more effective way to handle this problem, pass your suggestion along. **BUT MAKE SURE IT GOES INTO THE DROPBOX OR THE OFFICE.**

Yes, Island Club, we have a website. For more information go to: www.islandclubofestero.com
Get the password for residents in the office or from your circle rep.

Circle 1 Bahia Terrado - Crystal Malik-Petersen

Where did November go. WOW! We are now less than a month away from Christmas, and so much to do!!

Hope you all read the newsletter carefully and sign up or show up for all the activities, especially Christmas Dinner. And, if it's anything like the Thanksgiving dinner was it will be spectacular.

Our dear friend and neighbor Joe Engelhart has his family here trying to get him back home after a few falls which put him in the hospital and then in a care facility in Ft Myers. He hopes to get back home after his physical therapy gets him walking again. Please send a prayer his way.

Our circle will be going to a beautiful Christmas Concert Saturday December 1, and hopefully that will set us all in the mood for the upcoming season. Thanks for those who will be joining our circle friends. There will be over thirty people enjoying.

We will also celebrate four birthdays this month. Joanne Battley on the 8th, Lois Byrnes on the 14th, Crystal Petersen's 80th on the 18th, and Jesus Christ on the 25th, which will be the best celebration of all.

May you all have a VERY MERRY CHRISTMAS!

Circle 2 Blue Bimini - Lynne Rickenbach

Hope you all have had a very Happy Thanksgiving and are now in the Christmas countdown. I will take this opportunity to wish you all a very Blessed and Merry Christmas and Happy New Year. If you're traveling, have a safe trip and hurry back. We full time residents are so happy to see the activity taking place with the return of our northern neighbors. We're certainly looking forward to a busy and enjoyable winter with our friends. I'm looking for suggestions from all of you regarding activities that you would like to see happen in the coming months.

The gazebo is going to undergo improvements in the next month. Doug and I have been battling bees that made a home in our table legs and chairs over the summer! We want to paint the gazebo and clean up the chairs and tables so we can decorate for Christmas and get together for the first time in December. Hopefully, we will have accomplished all that by the time you receive this newsletter and have a date for our first get together.

For all of you that don't already know, our neighbor, Doris Smith, is at LifeCare of Estero in Room 439 and would enjoy receiving cards, phone calls, and visits from all her friends here at the Island Club.

"Thought for the month is to be careful and have patience out there as the roads are filling up".

I can be reached by phone at 239-947-6141 or my email: l.rickenbach@comcast.net.

Circle 4 - San Tropez - Connie Colter

After being home a couple of weeks, Ralph and I joined our Buick Club friends for a Southeast Regional meet in the horse country of Ocala, FL. We visited a Native American and Butterfly museum. Went to five acre horse farm, fed them some carrots and learned how they breed thoroughbred racehorses. Toured Marjorie Kinnan Rawlings home. She is the author of The Yearling. We also went through the Florida Carriage Museum; they

have over 160 horse drawn carriages. Our Buick Club always finds the best places to eat as well as to visit.

It is great to see more of our neighbors returning for the winter.

Merry Christmas to everyone. Be careful if you are traveling the highways, and hurry back.

Circle 5 Maui - Ann Boss

We do hope that you had a happy Thanksgiving and that you enjoyed your day with family and friends.

Maui had a brunch on the 17th at Perkins. We had a great time. It was our first brunch outside the circle in a few years. We ladies really enjoyed it. We did not have any cooking or clean up. Dates to remember: Saturday December 1 at 10:30 we will decorate the gazebo and entrance. Our Christmas social will be on Wednesday December 12, at 4 pm. Bring hors d'oeuvres and your YANKEE Swap gift marked man or woman. On January 5 at 10:30 we'll take down all decorations. Remember the Golf Cart Parade (see info in this newsletter). Pete and Shirley had a week's stay down in the Keys, and you know Shirley, she mixed business with pleasure, but they report they had a great time. Irma has company, her son-in-law, Steve is visiting with her. As always, good to see him.

Ron Kulie and Darlene came in from the north and we are so happy to see them back. She has been busy digging in her yard and planting new flowers. Looks great Darlene.

Nello and Kathleen came in on the 19th. Bet they are glad to be out of the cold.

It is always good to see Paul and Lillian Fuller out and about. Paul is never without that smile and we love it. We did miss them at the brunch.

A belated Happy Birthday to Larry Farrison. Wish you could have joined our brunch also since the 17th was your big day.

Maui circle would like to wish all of you a very Merry Christmas and a very Healthy and Happy New Year. Remember to decorate your house outside. You could win First Place. I cannot participate this year because I won last year.

Call me with any news, guest, birthday, anniversary, or you would like to put something in the news letter. It is your newsletters also. 390-8184

Circle 6b Tropical Moon - Diane Komeshak

We welcome two new residents to our circle: Julie Eckhardt and Sandy Shelton. Julie, a Wisconsin native, has two children Nathan and Levi. Sandy, who purchased Barb and Ray Franks' beautiful home, hails from Nashville. We'll miss Barb and Ray but hope they'll visit often.

A belated Happy Birthday in November to Tom Cops. Our December birthday wishes go out to Lin Wilkinson and Flo Fish (your Christmas present is your birthday present? Hah!)

Pat and I welcomed our 5th grandchild: Lydia Grace this November during a quick trip to Knoxville. "All boys but 5 - YE AH!"

With each new season comes a chance for fresh starts and an opportunity to set new goals. Here's

mine: Listen better, talk less, smile and wave more! Looking forward to celebrating each day.

Safety Tip: Park your car keys with the fob next to your bed at night. You can alert neighbors and scare off would-be thieves from your property when you hit the car alarm.

Circle 7 Parrot Cove - Julia Killinger

Our snowbirds are beginning to trickle back. We have seen Jerry and Sharon Etter, Ed and Sharon Linderman, and Bill and Joan Higgins. And Bob and Sally Russell showed up at the resident's meeting. Welcome back all! I forgot to mention last month that Larry and Doris Pigg had a new lanai built. All I can say is WOW!

Tom and Elaine Albrecht paid us a short visit early in November. Since she is still working they are not here very often. We gathered in the gazebo and they brought their famous pudding shots, yum! We even coaxed Carl and Eva Johnson to join us. Deanna Hines from St. Louis, happened to be here and she brought the grandchildren, five year old Clara and six month old Lawson. Chris LoVecchio brought pizza and everybody pitched in with goodies. It was quite a party.

Our new neighbors, Gary and Michelle Litvin have painted their house and planted a new palm tree. We love it and what a difference it makes.

Circle 8 Pearl Bay - Marilyn Wisor

HAPPY HOLIDAYS to all! We're hoping you had a great Thanksgiving with family and friends. Most of us are still feeling stuffed with turkey and all the trimmings. Many good smells were coming from kitchens here on Pearl Bay. Some of us joined our Island Club family at the clubhouse for a feast. Thanks to everyone for making this a special holiday gathering. Our blessings are so many.

David, our oldest son, visited for a week and made the holiday special. He enjoyed soaking up some sunshine, getting in some pool and beach time and filling up on MOM's cooking. I know he wasn't ready to head back to gloomy and cold Ohio.

November zoomed by quickly and it's time to put the fall decorations away. December will be a merry and busy month with community activities, family and friends visiting, shopping, decorating, gift wrapping and cookie baking. Keep an eye on our Circle Information Sign for upcoming events. Thanks to Jean, Mo and Charlie for decorating our gazebo - it looks great.

The recent cooler evenings and delightful days have been wonderful. You will find many of us at our gazebo every other Wednesday afternoon at 4:00 enjoying our informal gathering and the nice weather. Come join us! Just bring a snack to share, your own drink and get ready to do some catching up and laughing.

*Merry Christmas
And Happy
New Year!!*

(continued from page 2)

We are hoping Hazel made out fine with her recent medical tests - she had been feeling a tad under the weather. Ginny Jenkinson has been gone a lot lately. She has been busy and involved helping to take care of her parents after health issues. We're wishing them a good recovery. Sad news was received from Joe Mazzarella, up in New York. Please keep him in your thoughts and prayers as Betty lost her battle with pancreatic cancer.

It's good to have John and Mary Winemiller and Gizmo return from Indiana for the winter months. We're hoping the Florida sunshine works some magic in restoring good health to John. Charlie and Mo Royal and Sissy had a good trip from Michigan. They are settled in and already had out-of-town company. Mo's brother and sister-in-law visited for a couple days. Later this month their son and family will be visiting. They will be trying to escape the cold winter weather too. It's good to see Kristy, Heidi and baby Eli back home again.

Paul, Carol and Sarah Fryske had a safe trip back to Michigan. They got home just in time for Paul to take off on a hunting trip. They spent the month of October at the Island Club having remodeling work done to their new home formerly owned by Etta and Donna Webb. They hope to get moved in after the holidays. Jim Braden has been busy keeping up with the hockey season. Previous owners, Dottie and Eddie Mascenik, from New Jersey, have reported they were very lucky and escaped the wrath of 'Sandy'.

Dave and I will be spending the month in Cincinnati. We'll miss the fun holiday times with all of you but we are in need of some big hugs and kisses from our little granddaughter, Delilah. We're hoping you have a very merry and healthy holiday season. May your troubles be less, your blessings be more and nothing but happiness come through your door!

LIBRARY - Marlene Peterson

Phone Scam Tips:

"Stay safe by remembering a few simple tips on preventing phone scams," said AARP New Hampshire lead fraud fighter Harold Moldoff. "Don't pay any money to collect supposed sweepstakes winnings. Never wire money to anyone with whom you are not familiar, and if you know them verify by follow-up phone call. Don't provide anyone with personal information such as bank account, pin numbers, or Social Security numbers. And contact your

local authorities to report a phone scam". (Editor Update: This article could have just as easily been written about emails which can involve similar scams.)

Interrelations - Ann Boss

The Interrelations Committee has voted to disband this committee since we all feel that we were not given any authority to prove or disprove any of the complaints that came up and there were plenty. We have decided that both boards would need to work together for the decisions as to what's right for it's people. I thank all of you who served on the committee and wish you well.

Volunteers - Ralph Colter

I would like to thank everyone who has volunteered their help this past year. In whatever way you helped it was appreciated. It requires a lot of work to run and maintain the Island Club. We could not get the jobs done without the many hours that are put in by the volunteers, without raising our maintenance fees.

Hope everyone has a very Merry Christmas and a Happy New Year, wherever you are.

Safety Committee

A reminder to ALL residents to obey the rules of our Community. Every circle has speed limits posted but unfortunately, too many members speed through our community and individual circles. This endangers children as well as elderly people and those walking their dogs.

PLEASE SLOW DOWN! Thanks, Safety Committee

BOCCE / HORSESHOE COURT - Ted Figurelle

As many of you have noticed, we are now refurbishing the bocce courts and adding a horseshoe pit on one of the old bocce courts. Since the bocce courts have been in bad shape for the past couple of years, the Board of Directors has approved funds to make the courts more useful. The one bocce court will now be a hard surface (concrete) with carpet on top, similar to the 'Woodlands Court'. This will make it maintenance free and easier to play on. Hopefully more residents will then use the courts. The other court will be converted to a horseshoe pit (court). As many of you remember, our original horseshoe pits were removed by RLD when the property to our north was sold and developed into a car dealership. This will add a new attraction for our residents. Once this project is completed we will have a dedication party to celebrate our new activities.

Garden Club News - Diane Komeshak

FRIENDS OF THE IC GARDEN CLUB FUNDRAISER

We are sponsoring a fundraiser again this season to help us in our mission to beautify our community. This is for local dining and entertainment Buy One Get One free coupons. They expire in one year from end of month purchased but restaurant coupons are good for 12 visits! Through International Dining Club (website: <http://www.idc241dining.com/>) they sell online for \$40 plus \$5 shipping, but we priced ours for only \$35. You can visit their website to check out

the many dining and entertainment locations from Ft. Myers to Naples included for one low price. The attachment lists a few participating businesses. Shrimp Shack, Tijuana Flats, Bratta's and Naples Flatbread are a just a few of our faves. We found that after only a few uses we are money ahead, and we can use it again at the same restaurant.

We will place the main order for the friends of the Island Club Garden Club on January 26, for coupons expiring February 28, 2014. To be part of this order, please give \$35 payment (including shipping and tax) to Maggie, Donna, Bonnie or Diane. We should have them for you by February 4. If you want yours earlier or later, please let us know and we can order yours for the same price but it will expire in one year, on the end of the month purchased.

Special recognition to Larry and Doris Pigg and anyone else I may have missed, who continued to maintain our "baby" projects during the off season. And much thanks also to Donna Pogliano and Bonnie Shepherd for taking the lead in getting us off to a robust start this fall by beautifying the entryway, pool and clubhouse. January will be our next garden club get together, with a date and time to be announced in the newsletter. Hope to see new members then!

Do You Have Trouble Hearing on the Phone?

As we age, we lose lots of things...eyesight, range of motion, among other things. One of our losses that is difficult to admit is hearing loss. And, some of us who have normal hearing may have problems on the phone. Did you know that the state of Florida has a program to provide phones for the hearing-impaired/deaf Florida residents? They will provide a free phone to make it easier to have phone conversations without the need to ask people to repeat what they said. There are even phones that will type out conversations. And, unlike the older phones, the newer ones allow for normal hearing people to use the same phone just by pushing a button. If enough residents are interested, we will arrange to have a representative give a presentation and bring phones to our clubhouse. There will be a sign-up sheet in the library. If enough are interested, we'll arrange a presentation for sometime in January. **This is a free service for Florida residents only.**
