NEWS LETTER Editors Notes

Articles for the newsletter may be submitted by placing them in the manila folder located in the rack outside of the office door, or by sending an e-mail (preferred) to: icnews@msn.com. Please have your articles in by the 22nd of the month so that I have the time necessary to have the newsletter out by the 1st of the month. Whenever possible, I would prefer it if you would use e-mail. Thank You.

LETTER FROM THE ASSOCIATION PRESIDENT - Ron Kulie, President

The first order of business is my final apology for my actions with a resident following the last resident's meeting. I have sent him a written apology and I also apologize to anyone else who may have been offended. It was the wrong place and time to have that discussion.

I have a consumer alert regarding a dishonest air conditioning company. Service Star Enterprise has something like 26 better business complaints and they removed a Corkscrew resident's perfectly good AC unit, offering to take her to the bank to withdraw \$6600 for a new one. An alert neighbor stopped it, but her AC was ruined and she had to buy another. Lee County has been informed. If getting a new AC or service for the first time, check with a friend or neighbor for a reputable service. I have an honest company that is also quite reasonable. Just call or e-mail me for the name.

Many of us will be leaving by the end of April. Be sure to store away anything that could be a deadly flying object during a hurricane. Lawn statues, bird baths, garden hoses, etc. should all be put away before you leave. Make sure your property is secured for hurricane winds.

Sometime in May, a company will begin spraying and removing vegetation in the canals that drain our lake. This is done in partnership with Corkscrew Woodlands. Follow-up spraying will be done every three months to keep the vegetation down and allow our lake to drain more efficiently during the rainy season. This project was strongly recommended by the South Florida Water Management District.

FROM THE DESK OF DAVE WISOR

On March 15, 2013 your Board voted to approve the 2013/2014 Island Club Budget. As previously communicated, the Maintenance Fee will remain at \$550/quarter for the fourth consecutive year.

For those owners who missed the Budget presentation meeting on March 11th, the following points were also presented. Overall, the new budget is down 1% or about \$6,000 and this is the start of a good trend. The major contributor to keeping our maintenance fees level was the rollover of the surplus funds from the previous year. Additionally, utilities and lawn care = 65% of the total budget and water/sewer is 46% of utilities. Water and sewer costs are the largest "controllable" lines on the budget and this is important if we want our maintenance fees to remain the lowest in the area.

Finally a question was raised by an owner regarding how we estimate the \$\$\$ for road replacement in the "Restricted Reserves". This item will be studied and a report issued later this year to determine the accuracy of that line item and whether or not any adjustments should be made.

Enjoy your summer....

FYI: Phone Scam...

Pass this on to your grown children and anyone else you can think of. This has been verified by the FBI (their link is also included below). Please pass this on to everyone in your email address book. It is spreading fast so be prepared should you get this call. Most of us take those summonses for jury duty seriously, but enough people skip out on their civic duty that a new and ominous kind of fraud has surfaced.

The caller claims to be a JURY DUTY coordinator. If you protest that you never received a summons for jury duty, the Scammer asks you for your Social Security number and date of birth so he or she can verify the information and cancel the arrest warrant. Give out any of this information and bingo - your identity was just stolen.

The fraud has been reported so far in 11 states, including Oklahoma, Illinois and Colorado, Arizona and more. This (swindle) is particularly insidious because they use intimidation over the phone to try to bully people into giving information by pretending they are with the court system.

The FBI and the federal court system have issued nationwide alerts on their web sites, warning consumers about the fraud.

Check it out here: <http://www.snopes.com/crime/fraud/juryduty.asp>

Simply allow your answering machine to pick up. They won't say a word.

Yes, Island Club, we have a website. For more information go to: www.islandclubofestero.com

Circle 1 Bahia Terrado - Crystal Malik-Petersen & Deby Pod

April is now upon us. March was a very busy month with the trash and treasure being a great success. Big thanks to all who helped. We had a very nice Thank You lunch for Crystal for being our circle rep for so many years. Nice job, Crys, thank you. Easter has ended the month with dinner at the club house. We have a lot of birthdays in April, Nancy Buchhop-3rd, Joanne Figurelle-5th, Fran Kitchen-7th, Nancy Johnston-16th, Ted Figurelle-25th, Bill Henning-29th. Wow should be a fun party month. Bill Henning is looking better. He's been sick for a while now.

If there is any news you want to pass on, just let Deb know.

Circle 2 Blue Bimini - Lynne Rickenbach

GARAGE SALE: \$370.95! Thanks for the donations and the hard work.

HAPPY 86TH BIRTHDAY to Jean Burgess whose house became "sale pending" near her March 13 birthday. Jean will remain a Floridian as she moves a little North of us to be closer to her son. Best wishes, Jean, we will miss you.

SPRING IS COMING which means the snowbirds will be flying North soon.

Blue Bimini is evolving into a magical mix of established and newer residents who have worked as a team, socialized and supported each other throughout the season. May these memories sustain us until we gather together again.

THE REEDS: Lynne has had contact from former neighbors Brent and Kaleigh who report they are good.

WHEN NEXT WE "MEET": Courage is what it takes to stand up and speak. Courage is what it takes to sit down and listen. (Winston Churchill

If you have news, birthdays or an anniversary, please let me know before the 22nd of each month. My phone is 239-947-6141 and my e-mail is:

BE A FRIENDLY NEIGHBOR

Circle 4 - San Tropez - Connie Colter

Hope everyone had a pleasant Easter. It's the last big holiday for a while.

On Sat Feb. 23rd, we had about 14 from our circle meet at the gazebo for an Italian meal. Hope we can get more out for our next meeting.

One of our circle fellows is a little under the weather; Dick Cramlet had knee surgery early in March. Barbara had him outside a couple of times. Get well real soon Dick.

Wishing you a happy birthday or anniversary if you are celebrating in April.

Our circle has two Crows (Bill and Nancy Crow) who flew to Australia & New Zealand. Here is their story and quite an adventure it was. Here are some of the highlights of our latest "vacation-on-a-vacation" trip. By the time you read this, we will have returned to the Island Club from our 17-day trip to Australia and New Zealand. Since we are "retired" farmers from Indiana, we booked an "agricultural" tour of the land down under. So in addition to the incredible tourist sights of Cairns/Great Barrier Reef, Ayers Rock, Sydney Opera House and Sydney Harbor, we also enjoyed the Hunter Valley Winery Tour, a thoroughbred horse farm tour, Muswellbrook Country tour, traveled through the Liverpool Plains where irrigated and dry land grain is grown and visited with a local farmer. We were guaranteed to see Koalas in the wild and kangaroos. From Sydney, Australia we flew across the Tasman Sea to New Zealand. In New Zealand we visited Christchurch, Queenstown, Twizel, enjoyed a trip across Lake Wakatipu on a vintage steam ship, a special farmyard walking tour and sheep dog demonstration and viewed Mt. Cook. On the last day of the trip, we journeyed through New Zealand's beautiful countryside and fertile farmlands and visited a corn, potato and wheat farm as well as Rossendale Winery to learn about New Zealand's fine wine. On the early morning departure flight from Christchurch, we flew to Auckland, New Zealand to Los Angeles, Houston, Texas and finally Ft. Myers, FL. We look forward to sharing the adventure with all the details.

Circle 5 Maui - Ann Boss

We have surpassed St. Patty's Day and our wonderful Easter Sunday Dinner. We do wish all of you blessing and good health.

The circle would like to give many thanks to Frank Hagen for the donation of the lovely benches that he remade and painted. We truly appreciate your hard work. Thank you.

Pete and Shirley took a short trip the last 2 weeks of March in need of a little TLC. I believe they went to Mexico, watch for pictures, you know Shirley and her camera.

A group of us got together for a boat trip with Captain Bill and reports were everyone had such a good time even though it was a little chilly when they left but later it warmed up. The food was enjoyed by all and the trip a fun day.

We would like to thank all of you who contributed to the success of our Trash and Treasure on Saturday, March 9, whether you donated or helped work the tables. It was a lot of fun and a Huge Success.

If you would like to participate in getting the news out for Maui, please call Ann Boss with any circle news you may have. Each of you are important and it would be a great help to have your input on any news you may have. Thank you. 239-390-8184

Circle 6a Aqua Surf - Maggie Friel

Lots of cruising' for our residents in February! Elaine and Paul Lavalley cruised with Paul's brother and his wife for 10 days and had a wonderful time. Paul's brother lives in Anchorage, Alaska, so they stayed and visited for a month as it's a long trip home! Maggie Friel & Laurali Bucevicius also had a great 7-day cruise in the Western Caribbean.

Circle 6b Tropical Moon - Diane Komeshak

Good times and lots of celebrations- Happy Birthday #85 celebrated by GiGi with Eddie and her 4 daughters and friends who came across the state and the country to share in the fun. Upcoming in April, happy birthday to Janette and happy anniversaries to Flo and Hugh and Janette and Jerry.

Tropical Moon and Aqua Surf joined up to celebrate St Patty's at the Sandy Parrot. Judy, George, Touchdown Tony, Bonnie, Rusty, Pat and I joined up with Aqua Surf friends to bring in the green with some rockin and rollin. Susie and Tom had a visit from her sister who lives in Wisconsin. Flo and Hugh this past month took a break from Paradise to greet their newest granddaughter, Allison. And welcome back to Jan and Phil who are once again out and about after a trip East. We missed you all!

Thanks to Touchdown Tony for "coaching" the bocce group this season. Judy says they couldn't have done it without you! Unfortunately, we have a swinging door here in Paradise and the end of this month we will see many friends packing for northerly destinations. We wish you all well and safe travels. 'Till we meet again. God Bless!-Diane

Circle 7 Parrot Cove - Julia Killingier

It seems like everybody is talking about going home now. Soon our little community will be a lot quieter. Circle 7 will have a big party in our gazebo on Sunday, March 24 - a kind of going away gathering.

When Tom and Elaine Albrecht were here in February, we had a great time out in the gazebo. We gorged on pizza, shrimp and an assortment of goodies. And, of course, they brought their famous pudding shots. But they had to leave March 1st for cold and snowy Ohio.

Soon, Larry and Doris Pigg will be leaving also. They will be taking their motor home on a trip out west. Their final destination will be Corpus Christi, Texas, where their son lives. Larry and Deanna Hines are here, but soon after arriving they boarded a cruise ship. We hope they have a good time! Our friend and neighbor, Sharon Linderman, seems a little perkier lately. We are glad to see her out and walking. Carlo and Chris LoVecchio are doing a complete re-hab on their master bath. I can't wait to see it when it's finished.

I hope all our snowbirds have a safe trip home and join us again in the fall.

Circle 8 Pearl Bay - Marilyn Wisor

If you missed the recent Wine Tasting event, sponsored by Pearl Bay Circle, you missed a good time. We had a great turnout and the opportunity to taste a variety of favorite wines and hors d'oeuvres. Thanks to Jean Fulton and Mo and Charlie Royal for planning and organizing this fun activity. Also a special thanks to Ginny Jenkinson, Joe Mazzarella and Dave and Marilyn Wisor for your help. Many thanks to Joan Peterson for laundering the tablecloths, to Donna Pogliano for the lovely decorations and to those who donated door prizes, helped set up the TV and sound system and for the clean-up help.

We were once again successful in raising some funds for our Circle at the Trash and Treasure Sale. Lots of treasures were seen coming and going. Thanks to all who helped and donated.

Our annual circle picnic at the Gazebo was held and fun, good food and desserts were had by all. It was a bit chilly and windy but the sun was shining. Thanks to those that planned, grilled, set-up and cleaned-up.

Many neighbors and friends attended a lovely Memorial Service and luncheon sponsored by the Garden Club for our Pearl Bay neighbor, Betty Mazzarella. A beautiful tree was planted in her memory. Both her husband Joe and son, James, were present and send their thanks and love.

ADULT TRUTHS... I totally take back all those times I didn't want to nap when I was younger!

Circle 8 continued - It's good to have him home - take care! John Winemiller continues to work through his health problems. Keep smiling - we hope you feel like your old self real soon. Charlie and Mo Royal's son and family from Michigan recently visited and a good time was had.

Watch our information sign board for upcoming events. Please be supportive of our Circle and Development.

Road Crew (Asphalt Re-Sealing Dates)

A company will be re-sealing some of our streets in April. On Wednesday, April 10th, they will start re-sealing the boulevard from Aqua Surf to the gate house entry area. They may be starting before 8:00 AM, so if residents of Aqua Surf, Tropical Moon, Parrot Cove, or Pearl Bay Circles have to use their cars anytime before mid-afternoon, plan to leave your vehicle out by the gatehouse or in someone's driveway in Circles 1 through 5 (with their permission). To get a golf cart ride to your car, either notify the office on Monday, April 9th, between 9 AM and noon or e-mail Ralph Colter at rcolt@sbc.net. Be sure to leave your house address. The road will be closed at least until mid-afternoon to allow the sealer to set. Bike and golf cart travel is also discouraged.

On Wednesday, April 24th, Circles 1 through 5 will be sealed. In this case, residents who have to leave during the day should leave their cars either in the clubhouse parking lot or along the "no parking" area where D & P Lawn usually off-loads equipment. No permit is necessary in this case. Again, if you call the office on Monday, April 22nd, or e-mail Ralph, we will provide golf cart rides to your vehicles. Circles 1 through 5 will be closed to all vehicles until at least mid-afternoon. We need your cooperation to make this work.

Clarification on Use of Gas Grills-Diane Komeshak

A year or two ago, residents were informed the Island Club would no longer allow gas grills due to the fire department code restrictions. I spoke with the Estero Fire Marshal, Phillip Green, and he assured me we are allowed to have gas grills. **The rule prohibiting gas grills does not apply to single family homes. However, storage of the 20lb propane tank, whether empty or full, is not allowed in the garage or house or in any enclosed area that is not open to air.** An open air or screened in lanai is okay. Also, cooking in any enclosed area, i.e., a garage is prohibited as well as under overhangs. Any questions regarding the fire code can be directed to the Estero Fire Department at www.esterofire.org.

Please call Linda if you have any questions.

Safe Travels to All!

It's getting to be that time of year when so many of our friends from the north begin to head for their "other" home. We wish them a safe journey and look forward to their return.

As a reminder, summer rains, winds and storms are just around the corner so please plan accordingly. Stow your chairs and other loose items which could become

a hazard in a storm. Prepare your Florida home so that when you return you won't have any unpleasant surprises.

Remember to check in on us through our website and keep up to date with our activities and happenings in the Island Club.

Mrs. Sunshine - Joanne Figurelle

Please remember those in your circle who are housebound, ill, hospitalized, or in need of some cheer. Also, remember to let me know of any passings in your circle. 947-4220.
