NEWS LETTER

Editors Notes

Articles for the newsletter may be submitted by sending to: icnews@msn.com (note: use this email address for all articles)

Please have your articles in by the 22nd of the month so that I have the time necessary to have the newsletter out by the 1st of the month.

Whenever possible, I would prefer it if you would use e-mail. Thank You.

Paul Carr--272-6163

FROM THE ASSOCIATION PRESIDENT - Larry LaBair

Our entrance/exit to Corkscrew Road continues to be a serious problem. We must remember to follow the traffic rules for that intersection. The left turn space is for ONE CAR AT A TIME. More than one car can leave a vehicle exposed to traffic on Corkscrew Road. The second very important rule is that the vehicles in the center of Corkscrew Road have the right of way. It is difficult to tell for sure if they are making a U turn or entering the development. Knowing they have the right of way may cause them to pay less attention to what you may be doing.

During the visit from the FPL Representative in February, he noted that some of the electrical boxes in our yards are blocked with plants. He explained that in the event of a power outage they need access to open these boxes. Opening the boxes will require cutting or removing the plants which will extend repair time. Please check to see if you need to trim or remove plants.

There have been reports of random calls from the gate box requesting that the gate be opened. Remember, if you do not know the person you are talking to, do not open the gate.

We are again reaching the time when many of us head to summer homes. Please remember that we must prepare our homes for possible summer storms. Secure all outdoor furniture, pots, wall hangings etc., as they can become dangerous flying objects in high winds

FROM THE DESK OF THE TREASURER - Dave Wisor

Hopefully, you have heard the good news by now but, if not, please allow me to repeat it. The **Quarterly Maintenance Fee for 2015/2016 will remain the same at \$550.00 per quarter**. This will be the **sixth consecutive year** that maintenance fees have remained unchanged. Your Budget Committee is very pleased to present this budget and the results. Overall the new budget is about flat as compared to last year's budget. (\$590,248 vs. \$590,421)

Prudent spending decisions by your Board and diligent work by your Budget Committee have again combined to defray expenses. Additionally, we have squeezed some idle cash out of our checking accounts to also help offset the new budget, **thus no fee increase this year**.

In all fairness, we do not know if we can continue to deliver these kind of results year after year, and some concern has been expressed that the owners may want these kind of results again next year. We simply cannot look that far out with any degree of certainty and promise, therefore, **a fee increase could occur next year**. We won't know that answer until next year's budget review work begins. However please know we will **always** look at our budget needs year after year with the same magnifying glass. And we will continue to examine all requests for any "unnecessary expenses", to benefit **you**, the homeowner.

The Board of Directors met on Friday March 27th 2014 at 9:00 AM to formally vote on this budget. For questions or concerns, please feel free to contact your Budget Committee: Vicki Ackerman, Ted Figurelle and Dave Wisor.

Circle 1 Bahia Terrado - Deby Pod

The Trash and Treasure was a cool damp day and not the turn out we expected. The pig roast was a great success. Nice job to Vickie and Kent Ackerman for hosting the event. Thank you.

Pictures have been taken for our directory. I want to say thank you to all the volunteers. Without our workers, nothing would get done. On that note, I will no longer serve as Circle Rep. I want to wish everyone a Happy Easter, and to all a safe journey thru your summer.

Circle 2 Blue Bimini - Rebecca Childers

I am so proud of our Circle. Just when I think there could be little left for another community garage sale, I am proven incorrect. Each and every person who worked or donated deserves a pat on the back. A special thank you to Theresa VanHorssen for spearheading the project again this year and to Beverly, Ron, Lynne, Doug, Tom, Becki, Betty, Frank and George for setting up, selling and packing up. Great Job!

With the hard work from the garage sale over, twenty plus of us enjoyed a potato fest at our Gazebo on March 18. The challenge was to use our imaginations to make any dish that had the potato ingredient. We found we are a very imaginative group as we enjoyed soup to shepherd pie and much in between. It was made extra special having Shirley Farthing's daughter, Gayla, attending, as well as sisters Andrea and Gaby arriving from Canada in time to join in.

At this writing, we are anticipating two events from the Stickel household. The first is the arrival of Hazel Grace on March 24. Hazel Grace, a rat terrier, is the newest family member. Betty is hosting a "high tea" for the ladies of Blue Bimini on March 27. More about that in May.

APRIL 1: Meet at the Gazebo at 5:30 P.M. for a 6 p.m. cookout. All are invited. A sign-up sheet is at the Gazebo. Please list your name, number attending and what you intend to bring.

Thank you to all who have volunteered to help host Easter dinner on April 5 at the Club House. If any one is available to collect the \$3 donation at the door, please let me know. That person would need to arrive no later than 1:30 p.m.

If you have an email to share, please send it to Becki at via_ili@yahoo.com. It is the easiest way for us to keep you current on park and circle events. Hard copies are only given to those I know do not have a computer. If you do not wish to share your email, please check the monthly Island Club Calendar and the circle's bulletin board. (Editor's note: Newsletter and Calendar are also available on the IC website.)

Circle 3 Rio Mar - Barbara Crowe

Now tell me, is the reason that fools are honored on the first day of April because many fools show their foolishness by leaving this land of paradise? Those of us who watch you depart say so-long until Fall and wish you a safe journey. Take with you all the fun memories we made like our very profitable Trash & Treasures sale. Linda Umansky, thank you again. She organized teams that collected, priced, transported, sold and cleaned up. Our 9:00 Coffee and Donuts gatherings are such a wonderful way to wake up. We meet new neighbors like Bill and Rosemary and give hugs to healing neighbors like Joan Peterson who is back walking our circle and greeting us with her smiles & giggles. Marian Cowley's left side is in less pain so that she can once again swing her golf club. We suspect Dale Fritz's back is less painful because we saw him walking his dog. Leonard McCrum is getting stronger and wants to come home to Rio Mar soon. The luncheon for the IC volunteer workers was a success. I do so appreciate, with affection, how each of you have generously volunteered to help

me with the Circle Rep responsibilities since the New Year. You helped to heal me. Applause to Jerda Jones for keeping us abreast of upcoming events on our entrance bulleting board. This is a tough job and we are blessed that she has the talent to do this. Watch for information on the next coffee clutch, Italian pot luck, Easter dinner, etc. for April.

Circle 5—Maui—Jackie Post

We have had some great socials & potlucks this winter. Our Social on April 8th will be held on the Dock, maybe we'll see the sun setting. The Savage had friends visiting from Ohio, the Thompson's had their 3 children from 3 parts of the USA. Much warmer here they found out. The "season" is winding down and we all enjoyed our winter compared to the northern mess.

Maui circle would like you to mark your calendars for February 21st next year. We will be hosting a circle fund raiser, within our circle, having Harry Boyle as our attraction, serving Good Buffalo Hot Dogs and fixings. The rain date is 2/28 but hopefully we will have good weather. This will be a bring your golf cart, lawn chair, event at our Gazebo on a Sunday afternoon. More details will be coming out in the fall newsletters.

Pete & Shirley Thompson will be leaving soon for a return trip to Mexico. Soon they will qualify for a Mexican passport.

Thank you all for supporting the protests out on Corkscrew Road. Maui Circle is not as directly impacted as the first three circles but is firmly behind the theory that this is ONE COMMUNITY so what affects one part affects all.

Phyllis Cummings had her daughter & granddaughter recently visiting. They all had a great time. Irma Robinson will be having a procedure on her leg soon. Please think about her and help her out if you can.

Circle 6b Tropical Moon - Diane Komeshak

Tropical Moon welcomes Renee and Joe Cuchetti from Birmingham MI. Joe is a fisherman and Renee a golfer with 3 children and 2 grandkids. This is their first year in Southwest Florida! Jan and David Dodd from Portage MI, married 43 years, are on their second year at Island Club. They have 5 children and 6 grandkids and are bikers. We are getting to know longtime residents Denise and Frank Schaubert who are spending more time in Paradise now that Frank has retired. Frank likes his motorcycle and Denise loves to read. Sadly we say farewell to Gyselle "GiGi" Bousquet who is moving to assisted living in Bonita Springs. She promises to still be a regular at IC Bingo. Coconut Shores' CoConuts and the Island Clubbers square off on IC bocce court Thursdays at 9:30 am with Touch Down Tony officiating and also invites all to play Fridays at 9:30am. "Coach Tony" also encourages all to come out on Friday mornings at 9:30 as well.

Our dear friend and neighbor Joan Hansbarger continues to improve after her car accident in March. We keep her in our prayers for a full recovery. Congratulations to good friends, Flo and Hugh Fish, who celebrate their 50th anniversary this month. Happy birthday Sandy Anders and Janet Wobrock. Here's wishing all a peaceful summer and safe travel as another sun sets on Paradise. Till we meet again!

Circle 7 Parrot Cove - Julia Killinger

It's about time for the snowbirds to begin flying home. Tom and Elaine Albrecht will be leaving April 1st. Jerry and Sharon Etter will leave April 14th for Indiana. Jerry will be walking his granddaughter down the aisle for her wedding. Howard and I attended the first Village of Estero Council Meeting at Estero High School with a large group from the Island Club. Jack and Julie Otte and Bob and Sally Russell were there from Circle 7. Bill Savage and Nancy Buchhop

both gave impassioned speeches concerning Stock Development plans for the wooded lot next to us.

Larry and Deanna Hines have replaced the concrete driveway, sidewalk and patio with pavers. After adding new landscaping, it is a real show-place. The inner circle neighbors have pitched in and planted palm trees and other plants around the gazebo to replace the oak tress which had to be removed. It looks very clean and open now.

Our neighbor, Eva Johnson, is recuperating in the hospital from surgery for a pacemaker. We hope she is home soon!

Wishing all the snowbirds a safe trip home!

Circle 8 Pearl Bay - Marilyn Wisor

Spring has finally sprung up North. Family and friends were so ready for nice weather. Now it's time for many of us to be heading to our Northern homes after a great winter season here at the Island Club. Travel with care, have a great and healthy summer and come back safe and sound.

We're hoping many folks from Pearl Bay Circle have participated in the community pictorial photo directory endeavor. Thanks to those who have helped to get this opportunity organized. Thanks also to those who contributed and helped with the recent Trash and Treasure sale. Lots of treasures were seen coming and going.

Hope you had a fun St. Patrick's Day and we're wishing everyone a very Happy Easter. Best wishes to Carol Fry-ske and all others who will be having special days in April. Congratulations to Hazel and Coy Bradford who will be celebrating their 60th wedding anniversary! We're happy to hear Hazel recouped nicely from her recent eye surgeries but sorry to hear she had later been under the weather for a few days. Word is she really enjoyed the visits from her two daughters, Debbie and Robin.

It was nice to have Karen, Al Buell and son, previous renters, from Connecticut join us at one of our gazebo gatherings. They are enjoying the great weather and local beaches while staying in Port Charlotte this season. We also had a really nice surprise - Barb and Bob Thornhill in for a short visit. They have been spending time in the Delray area and will be on their way back to Roanoke, Virginia very soon. They send their best wishes to all.

I'm sorry to report our neighbor, Betty Klipp, is in the hospital. She was diagnosed with double pneumonia and other complications. We're thinking about you, Betty - get well soon! We are also sorry to hear Joe Mazzarella is having some health issues - take good care, Joe.

Charlie and Mo have had lots of company coming and going and soon their son and family will be arriving from Michigan. They are looking forward to good beach and pool time. Jeannie Hamady's mom, Anna, has been visiting from Indiana. Elsa Bermingham has been tooling around in her new car. It was nice to meet one of our newest renters, Peter Lovley. We're hoping he enjoys his stay on Pearl Bay.

Our annual Circle picnic at the gazebo was held on Sunday, March 22nd. We had lots of good food and laughs. Thanks to all who planned, grilled, set-up and cleaned up. It's a great way to meet the new residents and renters. Thanks, Charlie, for revamping one of our wooden gazebo tables.

Don't forget, Easter dinner will be served at the clubhouse. The sign-up is in the Library. If you don't have plans, come join your friends and neighbors. Try to attend the next scheduled Residents' Meeting. It's the best way to keep up on what's happening and being planned in your community.

Happy Easter and Blessings to All!

I made the same mistakes for so many times, that now I call them traditions.

ACTIVITIES - Lola LaBair

Once again the season has come and gone by so quickly its hard to believe. Just think we are all another year older. The calendar of events will be coming to a end. I hope everyone has a great summer and wherever you go, be safe.

A special thanks to Barbara Crowe and friends of Rio Mar Circle for hosting the Volunteer Lunch in March for our Thursday Volunteer work crew. If you want to volunteer some of your free time, come on out and join the volunteers.

I would like to thank all of you that helped me with the New Years Eve Party again, especially those who came to our rescue at the end of a hard working day in the kitchen, cutting up all of the fruits and vegetables. Fun!!!

March 14th What a grand slam and a great way to end a successful season. A big thanks go to Kent and Vicki Ackerman for hosting this event. This was the Island Club's first real major PIG ROAST and I don't think it will be the last.

Activities are placed in this newsletter and on the calendar by Lola LaBair. If you want to plan an event, SOCIAL, or NON SOCIAL, please call 239-273-8697. I need a letter from the circles that are planning events to avoid scheduling conflicts. This letter is also for B.O.D., approval. **A new calendar will be**

started at the beginning of each season for all events and activities. Again I Do Need paper work for anything you are planning in the clubhouse next season starting Oct 1st 2015 to May 31st 2016. First come First served, for availability. I don't know everyone that has used clubhouse this past year so can't call you. I will be at the clubhouse April 6th at 6:30 pm and April 13th at 6 pm to accept paperwork and make a copy for your record.

The next Circle Reps meeting is Monday, April 6 at 7pm.

Friday Night Socials start at 5:30 pm with a pot luck at 6:00 pm. For all new residents, this is the best way to meet the longtime residents. Bring a covered dish to share and BYOB. We have story telling and a few classic jokes. We have a 50/25/25 drawing. We have free meals, that's a free night with no cooking. Or whatever someone comes up with and that someone could be you. So come on out and join in on the fun.

Circle Reps Meeting: April 6th at 7:00pm Residents Meeting April 13 at 7 pm and BOD meeting April 14 at 3 pm.

Library - Marlene Peterson

We're "thinking" of running all the paperbacks together since most of the authors are writing novels, not mysteries or romances, etc. That way some of the open space can

be used.....for more books. Hope that will work out. And thank you for all the great books coming in.

PILATES AND YOGA every Tuesday & Thursday at 10:00am. Get ready, Bonnie Shepherd will lead you again in these two types of exercise. Bring a mat, a ball and your weights 2,3,4 or 5 lbs.

PICKLE BALL every Monday at 9:00am. Ken Shepherd will lead you in Pickle Ball.

LUNCHEONS: Wednesday, April 15, at 11:30 Ladies' Luncheon at Sandy Parrot. Men's Luncheon at Connor's.

OPEN TENNIS: Now that the holiday season is over, let's see how many interested people show up for tennis on Wednesday nights at 7:00PM. Hopefully, we will have a good turnout and lots of fun. See you there!

CRAFTERS WANTED! Do you love to craft? Knit, sew, crochet, scrapbook, hot glue gun or anything else? Then join me, Julie Otte, on the first and third Wednesdays from 9-11 at the clubhouse. Bring the project you are working on and we will laugh, help and inspire each other. Need help with a project? Bring it! Maybe someone can help you with it. Don't have a current project, come anyway and be inspired. I can't wait to see you there. This will be held every 1st Wednesday of the month. However, April will be the last month. Call Julie Otte 419-575-7840.

Stock Development 's Apartment Project Next Door—Bill Savage

The IC BOD appointed me to head up our response to this proposed project. Since that time we have had two protest demonstrations out on Corkscrew Rd. The first, attended by about 75-80 people, covered by NBC TV, was very successful. The second attended by about 30-35 was less successful. We did attend, about 60 according to Marilyn Wisor's count, as a group to the First Estero City Council meeting, most dressed in RED, sitting together, which had quite an affect. The picture of the group appeared on the front page of the Naples Daily News along with an article about the point of the protest. I had an opportunity to speak with the 4 elected members of the council, 3 of whom I believe are with us and Jim Wilson who is going to be the swing vote, I feel. From the conversations that I have had with him I feel that he is in symphony with us but may be beholden to the 3 who ran unopposed. Bobbi Nelson and I attended the Village workshop on 3/20 and were the only IC

people there. As I was leaving the meeting I ran into Howard Levitan, the new Village Vice Mayor, who came right out and told me that if we were going to fight this we SHOULD HIRE A LAWYER.

I know that everyone in this community hates lawyers and their costs from what we went through but in some ways 'PENNY WISE, POUND FOOLISH " That is to say saving money may defeat the object of what you are trying to do. This is just my personal opinion here. The IC DOES NOT have the money in the budget for a fight of this magnitude. I am suggesting the following. I started the fund to protest by donating \$ 20 to buy sign material. Linda and I will be donating another \$ 80 to make \$ 100. Dave Wisor, Mr. Frugal, has also offered to donate \$100. That is seed money folks. Let everyone donate \$100 and we can get a lawyer who will represent us. Let Dave be the Treasurer of this money and hopefully we will get money back prorated on what was given. I feel that fighting this project MAY help derail the project as proposed, but something WILL go in there. We want to try to shape the project as being better suited for the present zoning and something that will not impact our homes as the present one will.

The Island Club Water Conservation Corps

The "Silent Water Leak Testing" project has concluded as of the end of March. A total of 109 residents reported their results. There were 25 leaking toilets detected and either repaired or replaced within the residential portion of the community and another two leaks repaired in the clubhouse for a total of 27.

If you have not yet used the toilet test tablets distributed in December, it's not too late to test your toilets and repair any leaks. Remember that water is a high ticket budget item for our community and being water-wise benefits everyone by helping to hold the line on HOA fees. Thank you for your cooperation. Return test slips to the Library.

NEW EVENTS

We need to schedule next year's events. "2016". Start thinking, schedule early.

I sure do appreciate all of the hard work and your time you put into the events to make them a great success. Lola LaBair 239-273-8697-----bairlalo@comcast.net

Tri Star Pest Control

Sign up in Library or call Tri Star 239 267 2599 This is not an automatic service call even if you have had them before.

Next service will be in September.

Recycle Turn in those empty inkjet cartridges for recycling in the Library at the Club House. Proceeds go to the benefit of the Animal Refuge Center in North Fort Myers (a no-kill shelter). Please put them in the box.

Any questions, please contact Bobbi Nelson at 495-6345.

Website: Please visit our Island Club website, www.islandclubofestero.com. New information has been added under the "For Residents" section. The new areas include "Activities" and "Committees" as well as updates to the "Board of Directors" and "Documents and Forms". Also check out the pictures from some of last year's social events!

If you have information or pictures that you would like to have added to any of these areas, please use the "Contact Us" form to submit your ideas. If you don't know the password for the "For Residents" section, please use the "Contact Us" form or call the office.

FREE INK CARTRIDGES FOR HP PRINTER – There are four brand new 940XL ink cartridges in the office. We replaced the printer right after purchasing the new ink cartridges. Please come to the office during office hours to pick up.

MEDICARE

Maggie Friel, a resident of Island Club, is available to help any current Medicare beneficiary who has issues or questions, or any person turning 65 in 2015 with plans to join Medicare. Maggie is a volunteer with SHIP (State Health Insurance Assistance program), not affiliated with any insurance company, and her help is free. Call her at 502-604-1069.

Estero News

Keep up to date with the Estero Community News www.visitestero.com or the Estero Council news at www.villageofestero.org.

A BIG BIG Thanks to the breakfast crew. I know its hard getting up to come and work so early in the morning once we had retired from our real job. I sometimes thought I was getting up for work when I was only getting up to bake biscuits. We did have fun serving all of you that came out to enjoy the breakfast.

EASTER DINNER

Once again Becki Childers will be hosting the Easter Dinner April 5th at 2 pm **Featuring Spiral Cut Ham with Rum Raisin Sauce and Dinner Rolls.** Please sign up in the Library by April 3rd 10 am. Please bring your favorite covered dish. Donation of \$3.00
