FROM THE PRESIDENT'S DESK - Patrick Tendam

Winter is behind us now and the hot humid weather is slowly creeping in. I enjoy sitting on the driveway spending time with my neighbors, playing guitar and just being outside. With the weather change comes a later start to my driveway playing as we wait for the cooler night air. Fewer neighbors are outside as Floridians are driven indoors while our northern neighbors come out of hibernation looking forward to summer fun.

Hurricane Ian insurance repairs are starting with replacement of soffits on the clubhouse. Board member Karon Patterson is working closely with our insurance adjuster and Wintex to make sure this goes smoothly. At some point the clubhouse roof will be replaced requiring closure of the swimming pool for safety. Notice will be given to residents as early as we can.

Maui Circle was repaved in April. As luck would have it we received much needed rain during the paving project. Fortunately, we only experienced one day of delay.

New outdoor weatherproof AED enclosures have been delivered and are waiting to be installed. Compliance with ADA height requirements will require changing the location of the enclosures from their current locations.

A pool table was purchased and placed in the clubhouse as part of the special projects included in this year's budget. It is a very nice table and has been enjoyed by several folks already. It should be an enjoyable indoor sport this summer.

Enjoy your summer wherever you may find yourself!

Island Club Volunteers save the community thousands of dollars every year.... Doing tasks most others don't want to be hired for. Here is Ron Rust completing one of those chores that most of the other volunteers are "thankful to be too large for"!

Be sure to thank the volunteers whenever you get the opportunity.

Thank you Island Club Volunteers.....

YOU too can be an ICLV...

**Volunteers meet at the work shed on
Thursdays, 8:30 am (October through April).**

All talents (and muscle) welcome.

Circle 1 Bahia Terrado -

Nancy Buchhop

We **welcome new neighbors** Kaya Stys and her children, Colin and Lily. Kaya cleans houses so, if you are in need of someone to clean for you, give her a call. Her business card is included in this newsletter.

Carol and John Klinkner enjoyed a nice long visit from their daughter, Debbie. Carol said it was very relaxing for all. Chris Butler enjoyed a visit from her long-time friend, too.

It was great to see Debbie Hicks and Kathy Watts here for a visit. They try to take part in all the activities they can while they are here.

George Johnston continues on his long, slow journey to recovery from his accident. Nancy now lives in a memory care home. Their children have been super in sharing the duties involved with their parents' care.

We wish everyone a safe, happy, and healthy summer.

Circle 2 Blue Bimini - Betty Stickel

It is with deep sadness that we inform you of the **death of our neighbor and friend, Jim Dinkins**, who passed away this past month after a prolonged illness. Please keep Nancy and family in your thoughts and prayers.

Thank you goes to, Ron Rust for repairing and painting of our picnic tables! Great job!

What a **great surprise for our neighbor and friend**, Linnea Marshall's, birthday!!! Please wish her a Happy Birthday when you see her.

As we say "see you next season" to all of our snowbirds, **please have a great and safe summer!** See you when you get back! Do make sure you have your outside things secured in case bad storms and the possibility of another hurricane (we certainly hope not) and, **let the office know who is watching your house!**

Circle 3 Rio Mar - Dory Oravez

Wow! It's May already and this season has flown by! Hard to believe we are heading north soon along with many others.

Our circle **Taco Tuesday was a great time** even though the wind drove us into the Jones' Lanai. Good food, fun and "Jokes by Tim" were enjoyed by all. Thank-You Tim and Jerda! Looking forward to more new events that we discussed for next season. Maybe the weather will be more co-operative.

For those of you staying full time, remember there are still lots of activities to attend in the community.

Again, **BIG Thank-You to all my helper's**. Couldn't do it without you.

Have a great summer, stay safe and healthy see you in the fall.

Here is a quick summer favorite recipe:

Carrot Raisin Salad

1 ½ C. raw carrot finely chopped or grated

½ C. each: raisins, celery chopped walnuts

¼ tsp. salt and 4 TBSP. Mayonnaise
Combine all ingredients, chill and serve on bed of lettuce. **DELICIOUS!**
Serves 6

Circle 5 Maui - Jamie Austin

The end of the season is approaching fast! **We had a great Hawaiian get-together to end our season.** Thanks to Sherrill and Wayne for hosting it. Pineapple was our themed food for the night and everything was delicious.

I wish everyone that is traveling to **be safe and see ya in the fall!** Enjoy your summer and see ya around the circle!

Circle 8 Pearl Bay - Margo Rizzardini

As our season comes to a close and we've said good bye to our neighbors from the North, those of us who remain look forward to summer and RAIN!

We've got two new families to welcome to Pearl Bay Circle— Maggie

and Bud who purchased Lorraine Eastland's house, and Deb and Rob who purchased Mary Winemiller's house. If you see them, be sure to say Hi and welcome to the hood.

See you all at the Gazebo on Friday, the 19th. In the meantime, do a little rain dance!

Women's Luncheon

**Miller's Ale House
(Gulf Coast Town Center)**

Please RSVP to Bill Savage

**OLD PRESCRIPTION
EYE GLASSES**

If you have any old prescription glasses, I would love to collect them anytime of the year. My eye doctor, Dr Misaughl, goes on a yearly mission to El Salvador and collects these glasses to give to unfortunate people. Even if they need fixing, he has a company that does this before he goes on his annual visit.

Please call me if you have any
239-691-7429.
Thank you.
Bobbi

The Easter Egg Hunt drew about 20 children to Pearl Bay Circle. Thank you Jessica Tendam for organizing this event.

The Ladies' Luncheons, held monthly October—May are always LOADS of fun. Thank you Carolyn Mountain and the many monthly hostesses.

Don't let the dirt and grime discourage you. VOLUNTEER next fall for the work crew. They meet every Thursday beginning at 8:30 am. AND, there is always a lunch break with cookies or such.

The brunt of Hurricane Ian missed Island Club. Thank you to all of the community volunteers who helped to clean up the mess after it was over.

Corn Hole is a nice addition to the activities of Island Club. Thank you to Jim Oravez for taking the lead on this.

SEVERAL new activities have been added to the schedule...thank you to all who have taken on the leadership role.

Attention all Knitters, Quilters, Crocheters, Beaders, Stampers, Weaver, Painters and all other home art crafters. My hope is to start up a monthly group here at the Island Club where we can all share, teach and show off the hobbies we love.

Welcome all levels of crafters from experienced to beginners. The hope is that by getting together with other "crafters" we can share techniques and tricks. We can also teach those people who have always been interested in learning a hobby craft while working on our own projects.

Let's plan on getting together on the second Saturday of June. How about we start by getting together at 10:30 a.m. and see what happens.

If you are interested, please send me a message via e-mail at:

karonpatterson1151@gmail.com. Or text me at 760-660-5083. Please include your name, email address and phone number. Karon Patterson

Be sure your horticulture trimmings are on your driveway and **NOT IN THE YARD** and that they are also in paper bags or bins or bundled with twine—**NO PLASTIC** bags or plastic ties. The mowers will not move trimmings to mow.

Put trimmings out by Sunday eve as collection is usually **EARLY** on Monday.

Please do not put **BAGS containing garbage or recyclable items on the ground or driveway the night prior to pickup**. Bags get torn open by wildlife.

DO NOT use plastic bags in recycling. They cause problems at the recycle center. **Bag it in PAPER**.

REMINDER: Garbage must be put out in bins for collection if it's put out prior to Monday morning, not set out in bags.

One Way Traffic Reminder

This is a reminder that all circles in the Island Club Community are designated as **ONE WAY**. Please obey the "One Way" rule on all circles to avoid potential accidents with walkers, bicyclists, people roller blading, other vehicles, etc.. If you live at the beginning or end of a circle you must go the proper direction on the circle... **DO NOT GO AGAINST TRAFFIC** unless walking.

Traffic is getting heavier. We are an active community and we all have to do our part to ensure the safety of each other. **Please follow the rules of the road**.

Recycling must always be in a bin to be collected. **NO PLASTIC BAGS OR FILM**. Our collection is a "hands off" pickup.

THINGS TO REMEMBER AS A RESIDENT OF THE ISLAND CLUB

Used inkjet cartridges

Don't throw those used inkjet cartridges away. Put them in the box in the Library, or give me a call and I'll pick them up.

All proceeds for the collection go to the Animal Refuge Center, a no kill animal shelter.

Thanks.
Bobbi Nelson
239-691-7429

Garbage, recycling and yard waste are **ALL** collected on Mondays, beginning early in the morning.

PoKeNo

Bring your pennies
Tuesdays
6:30 PM to 8:30 PM.

Everyone is welcome!
See you there!

BINGO!

DOORS OPEN AT 6:30
GAMES START AT 7:00
THURSDAY
COME JOIN US FOR AN
EVENING OF FUN

From the Compliance Committee:

Just a **reminder** that yard signs advertising contractors, roofers, pest control, etc. are not allowed in the Island Club. Please remove any such advertising from your property and inform the contractors this is not allowed in our community!

In addition **please remember that mailbox repair and cleanliness is the homeowners responsibility**. There are many mailboxes in need of attention!

As always,
Thank you for your cooperation.

The library committee asks

residents to limit their donations to our library to novels. Please, **NO cookbooks, biographies, travel books, reference materials, religious books, readers digest books or children's books**. Place your returned books in the clear bin and place any novel donations on the table. Please do not shelve the books that you return.

Metal Recycling

If you have various kinds of things containing metal or if you have aluminum cans, please give me a call and I'll pick up the items. Don't put them in your recycling bucket or trash.

Items such as nuts, bolts, sweepers, plant stands, faucets, aluminum, etc. would be appreciated along with the aluminum cans.

*I love to take things apart. Thanks
Bobbi Nelson 239-691-7429*

Notes:

Many activities have ended or will end after May for the summer months. Check the newsletter for notices.
