FROM THE PRESIDENT'S DESK—Lee Kaldor

May is here and there are many items to cover in this last newsletter of the season.

First, **thank you to all the volunteers** that made this winter season such a meaningful time. I can't begin to name everyone who has stepped up to take on a task or manage an activity or project, but you know who you are and the Island Club community is better for your service. You all make Island Club a better place.

There have been some questions about the **members' meeting to be held on May 13th**. Why is it necessary and what will be covered at the meeting? The primary purpose of the meeting is to satisfy conditions of the contract approved by the board that obligate Blue Stream to pay door fees to the Island Club. This is important to ICHOA's financial strength, and it provides assurance to Blue Stream that the Island Club is committed to the agreement and the construction of the fiber network as well as the terms of service. There will be a presentation on Blue Stream's services and an overview of why the board decided to select Blue Stream over the other competitors. And there will be time for questions and comments as well. This meeting will be held at the clubhouse at **3:00 P.M. on Wednesday May 13th**. A quorum by proxy has been established, but please feel free to attend in person if possible. Once this step is complete, we anticipate engineering and major installation work to begin later this summer.

In addition to the fiber to the home development, there will be other **engineering work going on regarding the lake and shoreline**. Hans Wilson and Associates Marine Engineering will be working onsite in the coming weeks.

With respect to both projects, you can be assured that progress updates will be made from time to time throughout the year.
Enjoy your summer.

SAFETY FIRST

For those of you who walk when it is dark outside (morning or night) please

WALK WITH A FLASHLIGHT.

It is difficult to see you especially if you are wearing dark clothing.

ALWAYS walk facing traffic!

CIRCLE NEWS

Circle 1 Bahia Terrado - Bobbi Nelson

Circle 2 Blue Bimini—Betty Stickel

Circle 3 Rio Mar - Dory Oravez

Well - another season has ended. To all those departing, safe travels... Everyone stay safe, happy and healthy. **Enjoy your summer adventures whatever they may be.**

For those staying, stay cool and hopefully storm free.

See ya'll in the fall

Circle 4 San Tropez - Kathy Fritz

Circle 5 Maui - Jamie Austin

Maui circle wants to thank Chris for all the work he has done to beautify our gazebo area, and for the fun card game that he and Joan lead to keep us entertained at our circle gatherings. **The jackpot winner was** - Ronda and she graciously donated half the money to the circle. Thank you Ronda.

We had a visitor tonight. **Bob the bobcat!** He didn't stay for our gathering but just strolled on by.

Pete's sister visited to celebrate her and Shirley's birthdays. Happy birthday ladies.

The last gathering was a great success.

I hope everyone has a great summer. Safe travels and see ya in the fall.

Circle 6A Aqua Surf-Linda Winebrenner

Circle 6B Tropical Moon-Suzie Capps

Circle 7 Parrot Cove - Carolyn Mountain

We're sad to see Tara and Stan Cottis leaving us. The circle will hate to see them leave, but wish them the best in their new location.

Hope everyone has a great and safe summer, and safe travels to those that go north for the summer. **See everyone in the fall!**

Circle Reps hosted an ice cream social for the community on Sunday, March 8. LOTS of great flavors and variety of toppings enjoyed by all in attendance. Pictured: Patty Savage, Carolyn Mountain and Jamie Austin.

Circle 8 Pearl Bay - Margo Rizzardini

It's hard to believe that another hurricane season begins in four weeks. So, why not get ahead of the crowd by **storing the following items in a convenient place before hurricane season starts.**

- *Candles or lamps with fuel, matches or propane lighters
- *Extra batteries
- *14-day supply of drinking water (1 gal. per person, per day)
- *Non-perishable foods that you don't have to cook or refrigerate
- *Pet supplies
- *Medicines and first aid supplies
- *Portable radio
- *Flashlights
- *Gas grill and extra propane tank
- *Test run your generator

And finally, our **last gazebo gathering of the season is Thursday, May 21st.** Looking forward to seeing you then.

NALC (National Association of Letter Carriers) FOOD DRIVE

On Saturday, May 9th, the annual **Letter Carriers Food Drive** will be conducted to benefit the Harry Chapin Food Bank.

Please put your non-perishable foods in a bag by your mailbox by 8:00 a.m. on Saturday, the 9th, and it will be picked up by an authorized person.

All donations stay in the local community to support families, seniors and food-insecure households, especially with school meal programs closing for the summer and the growing number of food-insecure households.

IT'S YOUR RESPONSIBILITY!

Please remember that mailbox repair and cleanliness is the homeowners responsibility.

There are always mailboxes in need of attention!
Is YOURS?

Exercise program with weights!

Having trouble with balance? The Island Club may have the answer.

We have a FREE exercise program using light weights. The "latest in exercise" is using light weights, not only to build muscle, but to strengthen your bones. If you should have a fall or an accident, you could possibly avoid broken bones if you strengthen them with exercise. This is not an immediate fix, but in time, you will notice a difference.

We meet at the clubhouse on **Mondays and Thursdays at 1:00 pm** and exercise for one hour. Please bring your own 1-3 pound weights and a persevering attitude.

For more information, please call Suzie Copps 443-845-1641

PICKLEBALL NEWS

I hope everyone has a good summer season and are able to get plenty of pickleball in wherever you are.

The number of players has fallen to only 1 or 2 courts during open pickleball. **Starting May 1**, players should arrange their partners and communicate on your own to ensure a foursome to play.

Remember, at least one Island Club resident must be present when the courts are in use.

Have a great summer!

A FEW POOL RULES as POSTED

- No Food, drink or glass in pool or on pool deck
- Pool hours dawn to dusk
- Children under 12 years of age must be accompanied by an adult
- Shower before entering the pool
- Remove excess sunscreen, oils and lotions before entering the pool
- Tobacco use is prohibited—**NO SMOKING... NO VAPING**

These rules also apply to the SPA

OLD PRESCRIPTION EYE GLASSES

If you have any old prescription glasses, I would love to collect them anytime of the year. My eye doctor goes on a yearly mission to El Salvador and collects glasses to give to unfortunate people. Even if they need fixing, he has a company that does this before he goes on his annual visit.

Please call me if you have any questions 239-691-7429.
Thank you. Bobbi

Metal Recycling

If you have various kinds of things containing metal or if you have aluminum cans, please give me a call and I'll pick up the items. Don't put them in your recycling bucket or trash.

Items such as nuts, bolts, faucets, sweepers, plant stands, aluminum, etc. would be appreciated along with the aluminum cans.

*I love to take things apart. Thanks
Bobbi Nelson 239-691-7429*

The room was set and ready when 64 guests gathered to celebrate Easter in the club house on Sunday, April 5. Thank you to all of the volunteers and cooks who made the event so enjoyable for all.

From Your Compliance Team:

Remember, following the Island Club rules is not just advisory, it is part of the covenant each owner agrees to when purchasing a home here. It's also important as a way to maintain the value of our homes.

From time to time owners and renters need a reminder.

Here are a few of the most common rule violations.

- **Parking** of all vehicles and golf carts on your lawn or common grassy areas is not allowed except in the case of driveway maintenance. (Rules 9.1)
- **Garbage and recycling bins** must be brought in no later than the day following pick-up and may not be stored outdoors. (Rules 7.2)
- **Food and beverage** are allowed in the **pool area** but not in the pool or on the pool deck by Health Department regulations. Smoking and Vaping within the fenced pool area is not allowed.
The pool is open DAWN TO DUSK. (Posted Pool/Spa Rules)
- **Feeding of ALL wildlife**, including the use of birdfeeders is prohibited. (Rules 3.8)
- **Dogs must be on a leash** no longer than six feet and under the owner's control at all times. (Rule 3.6)
- **Pets (including cats) must be carried** or leashed at all times when not on the owner's lot or are outside of a unit. (Declaration of Covenants 7.4)
- **All coach lights** in the front of your homes must be in proper working order (Rule 1.13)
- **Keeping your property clean and in good condition** (Rule 7.1)

These are friendly reminders and your cooperation is appreciated.

Notes:

*Have a GREAT SUMMER in the Island Club
and where ever your travels may take you.*

I have made a 16" x 20" 500 piece puzzle of one of my paintings, "TWILIGHT BOATS" to gift to the Island Club library.

While in the pool I learned that many residents are puzzlers and I thought it may be fun for you to share in my process a bit and put the pieces together! Enjoy!

From the Compliance Committee:

Just a **reminder** that yard signs advertising contractors, roofers, pest control, etc. are not allowed in the Island Club. Please remove any such advertising from your property and inform the contractors this is not allowed in our community!

TRIMMING

Need some "light tree" or shrub trimming. I can take care of some trimming while you're up north. Mulch laying as well.
Please give me a call at 239-691-7429. Bobbi
